One Day

Sometimes I lay under the moon
And thank God I'm breathin'
Then I pray don't take me soon
Cause I am here for a reason

Sometimes in my tears I drown
But I never let it get me down
So when negativity surrounds
I know someday it'll all turn around because

All my life I been waitin' for
I been prayin' for, for the people to say
That we don't want to fight no more
They'll be no more wars and our children will play

One day, one day, one day
One day, one day, one day

It's not about win or lose
Cause we all lose when they feed
On the souls of the innocent, blood-drenched
pavement Keep on movin' though the waters stay ragin'

And in this maze you can lose your way
It might drive you crazy, but don't let it phase you, no way
No way
Sometimes in my tears I drown
But I never let it get me down
So when negativity surrounds
I know someday it'll all turn around because

All my life I been waitin' for
I been prayin' for, for the people to say
That we don't want to fight no more
They'll be no more wars and our children will play

One day, one day, one day
One day, one day, one day

One day this all will change, treat people the same
Stop with the violence, down with the hate
One day we'll all be free and proud to be
Under the same sun singing songs of freedom like

One day, one day, oh
One day, one day

All my life I been waitin' for
I been prayin' for, for the people to say
That we don't want to fight no more
They'll be no more wars and our children will play

One day, one day, one day
One day, one day, one day
