Welcome to our home! We are so pleased to be able to share this special occasion with you and we feel so blessed to be surrounded by our loved ones. Passover is truly a season of rejoicing, as we celebrate our liberation from slavery thousands of years ago. We look forward to retelling the ancient story, just as our parents, grandparents, great-grandparents, and all the generations that came before them did. We look forward to learning how the lessons from the Passover story can relate to our modern day life. At the same time, we pause to remember our beloved family members who no longer walk among us, but are in our hearts and minds. We dedicate this Haggadah to their memory.

With love,

Hilda and Phil
