**Leader:** We now partake of the bitter herbs, of which there are two symbols on the seder plate, the maror and the chazeret.

*Take a small amount of horseradish and eat it on a leaf of lettuce.*

**All:** *Baruch atah Adonai, Eloheinu melech ha-olam, asher kidishanu b'mitzvotav vitzivanu al a'chilat maror.*

(Blessed art thou, the LORD our God, King of the Universe, who hath sanctified us and commanded us to eat bitter herbs)

*Eat the maror and chazeret.*
