[Chorus]

Thus saith the Lord:

Since you refuse to free my people

All through the land of Egypt...

I send a pestilence and plague

Into your house, into your bed

Into your streams, into your streets

Into your drink, into your bread

Upon your cattle, on your sheep

Upon your oxen in your field

Into your dreams, into your sleep

Until you break, until you yield

I send the swarm, I send the horde

Thus saith the Lord

[Moses]

Once I called you brother

Once I thought the chance

to make you laugh

Was all I ever wanted...

I send the thunder from the sky

I send the fire raining down

[Moses]

And even now I wish that God

had chose another

Serving s your foe on his behalf

Is the last thing that I wanted...

[Chorus]

I send a hail of burning ice

On ev'ry field, on ev'ry town

[Moses]

This was my home

All this pain and devastation

How it tortures me inside

All the innocent who suffer

From your stubbornness and pride...

[Chorus]

I send the locusts on a wind

Such as the world has never seen

On ev'ry leaf, on ev'ry stalk
Until there's nothing left of green
I send my scourge, I send my sword
Thus saith the Lord!

[Moses]
You who I called brother
Why must you call down another blow?

[Chorus]
I send my scourge, I send my sword

[Moses]
Let my people go!

[Moses and Chorus]
Thus saith the Lord!

[Rameses]
You who I called brother
How could you have come to hate me so?
Is this what you wanted?

[Chorus]
I send the swarm, I send the horde...

[Rameses]
Then let my heart be hardened
And never mind how high the cost may grow
This will still be so:
I will never let your people go...

[Chorus]
Thus saith the Lord:

[Moses]
Thus saith the Lord:

[Rameses]
I will not...

[Moses, Rameses, and Chorus]
Let your/my people go!
