

# The 10 Plagues

Contributed by [Stephanie Friedman](#)

Source: Original

As each plague is said, some people dip their pinky in the wine (or grape juice.) We do this because we are happy for our freedom, but sad for the Egyptian's pain.

Hebrew	English	What	Why
דם	Blood	All of the Egyptian's water turned to blood	The Egyptians forced the Jews to carry their water
צפרדע	Frogs	Frogs jumped all over Egypt, croaking loudly	The Egyptians screamed at the Jews non-stop
כינים	Lice	Every bit of dust turned to lice that would bother the Egyptians	The Egyptians made the Jews clean their dirty, dusty places
ערוב	Wild Beasts	Wild animals arrived and killed many of the Egyptians	The Egyptians amused themselves by making the Jews catch wild animals
דבר	Animal Sicknesses	All the animals that were left in the fields died	The Egyptians forced the Jews to care for their cattle
שחין	Boils	The Egyptians got painful boils all over their bodies	The Egyptians beat the Jews until they got boils and blisters
ברד	Hail	Hail made of both fire and ice damaged the Egyptians' crops	The Jews had to plant the Egyptians crops
ארבה	Locusts	Big starving grasshoppers ate all the plants	The Jews also had to guard the fields, and prevent damage
חושך	Darkness	Egypt turned so dark that you could feel the darkness, and the Egyptians froze in place	The Egyptians threw the Jews into dark dungeons and pits
מכת בכורות	Death of the First Born	The first borns of all the Egyptians- humans and animals- died	G-d loves the Jews like his first born, and the Egyptians hurt and killed the Jews
