Had G-d upheld us throughout 2,000 years of Dispersion,

But not preserved our hope for return...

Had G-d preserved our hope for return,

But not sent us leaders to make the dream a reality...

Had G-d sent us leaders to make the dream a reality,

But not given us success in the UN vote in 1947...

Had G-d given us success in the UN vote in 1947,

But not defeated our attackers in 1948...

Had G-d defeated our attackers in 1948,

But not unified Jerusalem...

Had G-d unified Jerusalem,

But not led us toward peace with Egypt and Jordan

Had G-d returned us to the land of our ancestors,

But not filled our land with our children...

Had G-d filled our land with our children,

But not caused the desert to bloom...

Had G-d caused the desert to bloom,

But not built for us cities and towns...

Had G-d rescued our remnants from the Holocaust,

But not brought our brothers from Arab lands...

Had G-d brought our brothers from Arab lands,

But not opened the gate for Russia's Jews...

Had G-d opened the gate for Russia's Jews,

But not redeemed our people from Ethiopia...

Had G-d redeemed our people from Ethiopia,

But not strengthened the State of Israel...

Had G-d strengthened the State of Israel,

But not planted in our hearts a covenant of one people...

Had G-d planted in our hearts a covenant of one people,

But not sustained in our souls a vision of a perfected world...
