Why is there so much broken in this world? Why did the Cosmic Designer make a world where hearts break, lives shatter, beauty crumbles?

A whole vessel can contain its measure, but a broken one can hold the Infinite.

Matzah is called the poor man's bread. He is low and broken. And it is this brokenness that allows him to open his soul and escape his Egypt.

As long as we feel whole, there is no room left for us to grow. It is when we realize we are but a fragment, that we need the others around us, that so much of us is missing -- that is when miracles begin.
