The symbols of Passover

The Symbols of Passover The bone that represents the sacrifice. It is weird to me that we sacrifice a lamb. How can we sacrifice such a sweet and innocent animal?

A hard boiled egg? A hard boiled egg? how can something so small have so much meaning?

We eat bitter herbs to remind us of our ancestors work as slaves. But why do we eat food that many love? I love the bitter herbs, the horseradish, hmm!

The haroset! the haroset represents the mortar and brick made by the Jews during the Jewish exodus from Egypt, I don't completely understand how this symbolizes mortar and brick, I think it is an excuse to drink wine, and eat good snacks!
