to the tune of "All That Jazz"

Come on, babe, it's time to say a prayer

WITH ALL THESE JEWS.

Grab some matzah, lean back in your chair

WITH ALL THESE JEWS.

Tell a story from the days of old

When our people could be bought and sold.

Just sit back and let the tale be told

WITH ALL THESE JEWS.

God said, "Moses, take a look around.

AT ALL THESE JEWS.

Go tell Pharaoh that it's way past time

TO FREE THESE JEWS."

God showed Moses what he had to do,

Helped the Jews tell Pharaoh "Toodleoo."

So tonight we're singing Dayenu

WITH ALL

THESE

JEWS.
