**(Participant)** As we remember the plagues God sent to help our people, we pour out a drop of wine for each of the plagues.

Dip a finger or a spoon into your wine glass for a drop for each plague.

Blood: All the water turned to blood. Fish died in the rivers, and every Egyptian suffered terrible thirst.

Frogs: Every inch of land was covered with frogs. They entered houses and bedrooms.

Lice: Lice infested every Egyptian's home. Man and beast scratched until their skin bled.

Beasts: Wild animals roamed Egypt, destroying crops and land.

Pestilence: All beasts were struck down with deadly disease.

Boils: The skin of every Egyptian erupted in painful boils.

Hail: Hail rained down from the skies, crushing plants and houses.

Locusts Swarms of locusts blotted out the sky and covered every inch of Egyptian earth.

Darkness: All lights were extinguished.

Death of the Firstborn: Every Egyptian firstborn son died.
