As we pour a glass of wine for Elijah and open the door for him, let us offer the following prayer together from the Maharal of Prague.

HaRachaman! May the Merciful One send Elijah the prophet to announce good news about redemption and comfort—just as You promised: "Here I will send you Elijah the prophet before the Lord's great and awesome day. He will reconcile the hearts of parents to their children and children to their parents..." (Malachi 3.24)
