

# Pesach, Matzah, Maror

Contributed by [Milken School Global Beit Midrash](#)

Source:

***Pesach:** Passover reminds us that we were spared or passed over. We could have been born in a different time or place. Do you feel grateful about where you were born?*

***Matzah:** Bread humbles us. Do people suffer because they think too much or too little of themselves?*

***Maror:** When is remembering bitterness positive or negative?*
