Dom, Dom, This Plague is Red

(sung to the tune of Ding Dong, the Witch is Dead)

(by Gary Teblum)

Dom, Dom, this plague is red
Which bad plague
The bloody plague
Dom, Dom, the plague of blood is red

Pharaoh – hear what I said
Let them go, or you'll be dead.
Pharaoh, the plague of blood is red.

The Nile will turn to blood
Oh no, that's worse than flood
Yo-ho, yo ho, yo ho
Don't cling, just let them all out.

Dom, Dom, you'll worry so
Don't ask why, just let us go.
Don't you know the plague of blood is red!
