## What Makes Me Free

(Sung to the tune of "Til There Was You")

(by Gary Teblum)

It's what God, did for me  
When he brought us out of Egypt  
Yes, it's just what God did for me  
That makes me free.

It's what God, did for you  
When he brought us out of Egypt  
Yes, it's just what God did for you  
That makes you free.

And there was freedom and wonderful mitzvahs  
they tell me,  
As we left from Mizrayim,  
at dawn,  
and so

It's what God, did for me  
When he brought us out of Egypt  
Yes, it's just what God did for me  
That makes me free.
