composed by Joss Whedon

originally performed by Sonny Rhodes

take my love
take my land
take me where I cannot stand
I don't care
I'm still free
you can't take the sky from me

take me out
to the black
ell 'em I ain't coming back
burn the land
and boil the sea
you can't take the sky from me

have no place
I can be
since I found Serenity
but you can't take the sky from me
