*As we pass Miriam's cup around the table, we will fill her cup with water from each of our water glasses. As you give the gift of your water, please share (if you are comfortable) the gift from your grandmother that you hold close today.*

This is the Cup of Miriam, the cup of living waters. Let us remember the Exodus from Egypt. These are the living waters, God's gift to Miriam, which gave new life to Israel as we struggled with ourselves in the wilderness. May the waters of Pesach cleanse and purify you and your home, physically and spiritually, and may you drink deeply of the refreshing and redeeming waters of Miriam's Well.
