Think of four questions to send to your representatives in the House and in the Senate. Use the template below or one of your choosing. You can answer them yourselves or leave them unanswered. When you're done, take a picture of your questions and you can tweet it at your representatives, post it, or email it to their email accounts. Use the hashtag #indivisibleseder. You can also tweet your picture to @bkindivisible or @indivisibleteam.

Some examples :

*Why is this president different from all other presidents? because he lies?*

*What are you, my political representative, going to do about \_\_\_\_\_?*
