

On your way out...

Contributed by [Jessica Belding](#)

Source:

We've been on a crazy dance floor this evening. Let's take a few steps up... say, to the balcony. How was this experience for you? How did we do as a group? What will you take with you?

Eliyahu (or more specifically, his cousin Dror, from the maintenance staff at Bina) **would want you to help clean up!** :)
