There's no seder like our seder

There's no seder I know

Everything about it is halachic!

Nothing that the torah won't allow

Listen how we read the whole hagaddah

It's all in Hebrew, 'cause we know how!

There's no seder like our seder

We tell a tale that is swell

Moses took the people out into the head

They baked the matzah standing on their feet

Now isn't that a story that just can't be beat

Let's go on with the show!
