One little goat, one little goat,
my father bought for two zuzim.

One little goat, one little goat.

Then came a cat
that ate the goat
my father bought for two zuzim.

One little goat, one little goat.

Then came a dog
that bit the cat
that ate the goat
my father bought for two zuzim.

One little goat, one little goat.

Then came a stick
that hit the dog
that bit the cat
that ate the goat
my father bought for two zuzim.

One little goat, one little goat.

Then came a fire
that burned the stick
that hit the dog
that bit the cat
that ate the goat
my father bought for two zuzim.

One little goat, one little goat.

Then came some water
that quenched the fire

that burned the stick

that hit the dog

that bit the cat

that ate the goat

my father bought for two zuzim.

One little goat, one little goat.

Then came a cow

that drank the water

that quenched the fire

that burned the stick

that hit the dog

that bit the cat

that ate the goat

my father bought for two zuzim.

One little goat, one little goat.

Then came the butcher

that slaughtered the cow

that drank the water

that quenched the fire

that burned the stick

that hit the dog

that bit the cat

that ate the goat

my father bought for two zuzim.

One little goat, one little goat.

Then came the angel of death

that killed the butcher

that slaughtered the cow

that drank the water

that quenched the fire

that burned the stick

that hit the dog

that bit the cat

that ate the goat

my father bought for two zuzim.

One little goat, one little goat.

Then came The Holy One, Blessed be He

that slew the angel of death

that killed the butcher

that slaughtered the cow

that drank the water

that quenched the fire

that burned the stick

that hit the dog

that bit the cat

that ate the goat

my father bought for two zuzim.

One little goat, one little goat.
