Hey Jews, don't make it bad

Take a sad song and make it better

Remember to let her into your heart

Then you can start to make it better

Hey Jews, don't be afraid

You were made to go out and get her

The minute you let her under your skin

Then you begin to make it better

And anytime you feel the pain, hey Jews, refrain

Don't carry the world upon your shoulders

For well you know that it's a fool who plays it cool

By making his world a little colder

Nah nah nah nah nah nah nah nah nah

Hey Jews, don't let me down

You have found her, now go and get her

Remember to let her into your heart

Then you can start to make it better

So let it out and let it in, hey Jews, begin

You're waiting for someone to perform with

And don't you know that it's just you, hey Jews, you'll do

The movement you need is on your shoulder

Nah nah nah nah nah nah nah nah nah yeah

Hey Jews, don't make it bad

Take a sad song and make it better

Remember to let her under your skin

Then you'll begin to make it

Better better better better better better, oh

Nah nah nah nah nah nah, nah nah nah, hey Jews
