Dayenu

God did many wonderful things for the Jews. He brought us out of Egypt, gave us the Shabbat, gave us the Torah, and brought us into the land of Israel. Any one of these acts would have been enough.

We sing *Dayenu*, which means "it would have been enough," to show our gratefulness for all that God has done for the Jewish people.

אלו הוציאנו ממצרים
דינו

אלו נתן לנו את השבת
דינו

אלו נתן לנו את התורה
דינו

אלו הכניסנו לארץ ישראל
דינו

If God had brought us out of Egypt ... It would have been enough

If God had given us the Shabbat ... It would have been enough

If God had given us the Torah ... It would have been enough

If God had brought us into the Land of Israel ... It would have been enough
