

# Welcome to our Seder

Contributed by [Amy Kroll](#)

**Source:**

Welcome to our Seder! Tonight we have invited friends from all backgrounds to join us for an inter-faith seder to celebrate Passover and reflect on the story of Exodus and how it remains relevant in today's time. After the 2016 elections, I was moved to put together this Haggadah to touch on the themes of inclusivity, women's empowerment, and freedom with an emphasis on the plight of modern day refugees.
