Source: Dr. Martin Luther King, "Beyond Vietnam: A Time to Break Silence"

We as a nation must undergo a radical revolution of values. We must rapidly begin the shift from a 'thing-oriented' society to a 'person-oriented' society. When machines and computers, profit motives and property rights are considered more important than people, the giant triplets of racism, materialism, and militarism are incapable of being conquered.

Dr. Martin Luther King

"Beyond Vietnam: A Time to Break Silence," April 4, 1967
