*Host:*

As our Messiah Yehoshua was hidden in the tomb before being found again on the third day, so is this, the afikomen, or coming one, hidden and found.

*Let the children find the afikomen. [Optional] Negotiate a price to purchase the afikomen from the finder.*

*After it is found, take the afikoman and divide it among all the guests at the Seder table.*

***NOTE: It is customary not to drink or eat anything (except the remaining two ritual cups) after eating the afikoman.***
