Peter the Parsley was a brave little boy,
He would run round the kitchen and play with his toy.
He had a best friend named Sally the Salt,
They were naughty but it was never his fault.
So one exciting day they made a new friend,
Celia the Celery would be their friend til the end!
So pesach came around and the three were all ready,
Peter, Sally and Celia sat on the table all steady.
The prayers come to them and they were so excited,
The people wanted them so bad, they were delighted!
Sadly, the three were gobbled to bits and so that the end,
Of the time Peter, Sally, and Celia were good friends.
