

Koreich - Hillel Sandwich

To carry out the instruction, “They shall eat it with unleavened bread and bitter herbs” (Numbers 9:11), the great sage Hillel would combine matzah and maror on Passover and eat them together. We eat a sandwich of matzah, maror, and charoset to remember both the bitterness and injustice of hunger and the redemptive sweetness that comes with working together to bring about real social change.

(The bottom matzah on the seder plate is broken and distributed. Each person takes two pieces of matzah and creates a sandwich with the charoset and maror.)
