~ HEAR YE HEAR YE ~

The Extremely Riotous and Indomitable League of Intrepid Aspiring Crones doth hereby convene to carve time and hold space

for these purposes:

- * Thinking & talking & communing about the shit that matters most, and
- * Getting clearer on what, exactly, that shit is, both collectively and individually and
- * Figuring out what's holding us each and all back from taking actions more appropriately aligned with our times

L'chaim!
