

A Moment for Hope

Contributed by [No More Deaths/No Más Muertes](#)

Source:

Take a moment to search for the *afikomen*, if it was hidden earlier.

It is customary during many Seders to spend time reflecting on hopes for the future, and moments of resilience and joy that have brought us to this current moment.

Here, we invite you to reflect with those around you on moments that have given you hope since the last Passover feast.
