

How You Can Help

Contributed by [HIAS](#)

Source: HIAS Haggadah 2019

The American Jewish movement for refugees is vibrant and strong. You can get involved by educating yourself and others, speaking up, taking to the streets, volunteering, organizing your community to take action, and/or donating to support HIAS' work helping refugees rebuild their lives in the U.S. and around the world.

Visit hias.org/take-action for more information about all of these ways to help refugees.
