Pharaoh

pharaoh

in the halls

Don't tell me you won't free the jews

(ooh baby)

My man

Moses

Got that beard

Don't make him call a plague on you

(ooh baby)

He was

Raised in

Egypt land

But now he's back with something new

(ooh baby)

Gotta

Let my

People go

Cuz the hebrews gotta fly the coop!

(That's how I roll)

Touch the

Water

and the

Whole Nile

Turn to

Blood

(Hebrew goals)

Darkness

Boils and

Hail and

Even

Freaky

Bugs

(now you know)

Frogs and

Lice and

Flies and

Pesti-

Lence no

good

(so you know)

One more

Plague from

Moses

And then

Bitch you

done!

CHORUS

It ain't my fault

that I'm out here asking Qs

Got my matzoh and grape juice

Gotta pass over the Jews (yeah)

It ain't my fault

That god's death angel is loose

Out here killing first-born dudes

Gotta pass over the Jews
