It was not  
enough to take  
the Jews out of  
Egypt. It was  
necessary to  
take Egypt out  
of the Jews.

- H a s i d i c S a y i n g

We learn in Exodus 14:10-16 that only Joseph and Caleb of the enslaved Israelites made it to the land of Israel. Most of those enslaved could not break that enslavement. What does this mean for us, that we must not only take B'nei Yisrael out of Egypt, we must also take Egypt out of B'nei Yisrael? We have left Egypt, but are we really yet free of what enslaved us?
