THE THIRD CUP

Action

The third cup of wine is our call to action.

We commit tonight to standing up, speaking out and protesting acts of hate.

We will fight poverty and inequality around the world.

We will act on our belief that change is possible.

בְּרוּךְ אַתָּה יְיָ, אֱלֹהֵינוּ מֶלֶךְ הָעוֹלָם, בּוֹרֵא פְּרֵי הַגֶּפֶן.

Baruch Atah Adonai, Eloheinu Melech ha-olam, borei peri hagafen.

We praise God, Ruler of Everything, who creates the fruit of the vine.

Question for Discussion:

What is one commitment that you're making this year to advance justice?

OPPOSITE: Girls from a school in rural West Bengal, India, where AJWS grantee MBBCDS teaches the importance of staying in school and ending child marriage. The staff encourage the girls to ride bicycles—which are traditionally only ridden by men in their community—to increase their mobility and opportunities.
