Lighting The Yom Tov Candles And Charging Our Electronics

Contributed by [Haggadot](#)

Source:

In this time of corona/COVID-19, we are thankful that not only do we have the power of fire and light, but that we have the contemporary power of electricity. Without electricity we would not be able to connect over our phones for virtual seders or other virtual family gatherings.

Let's light our candles and plug in our phones or computers if we need to :) and say:

Baruch atah Adonai, Eloheinu Melech ha'olam, asher kid'shanu b'mitzvotav v'tzivanu l'hadlik ner shel Yom Tov.
