

Hillel's Sandwich

Contributed by [Wendy Kleinman](#)

Source:

Prepare sandwich of matza, maror, and charoset. This recalls for us what Hillel did when the Temple existed: He enwrapped the Paschal lamb, the matzo and the bitter herbs to eat them as one, in fulfillment of the Torah verse, "with matzot and maror they shall eat it. (Numbers 9:11). It also reminds us that life is an integration of the bitter and the sweet.
