Aaaaaaaa.....fikomen! What a very special Pesach treat!

A dessert we share, as light as air

So much joy from such a hunk of wheat!

Thaaaaaaaaa.....t is why we hide it early on from everyone

A trend we get, from kosher chefs,

To convince us that eating Matzah's fun.

On a shelf or hidden away

Floor or stairs, 'neath Uncle Sid's toupee

It's too much work to search for your dessert

Yes, I'm looking for Afikomen

Afikomen, oy vey, gevalt.... let;s check the couch!!!

AFIKOMEN!!!!!!
