The Chametz

Sung to "Maria"

The Chametz.

We just threw out all of the Chametz.

And suddenly we feel.

We're ready for the Seder meal.

The Chametz.

We just threw out all of the Chametz

And suddenly we've found.

There's no more bread or cake around.

The Chametz .

Say it loud and it's corn and pasta.

Say it soft and it's pizza, not matzah.

The Chumetz.

We'll live for eight days without Chametz.
