Which reminds us, if you love fruit wine, you'll love wines from "Bitter" Herb Ertlinger, who brings the muskmelon goodness to their oak Chardonnay and the dazzling peach cre-ab-apple to his Riesling Rioja. You'll remember the taste and you'll remember the name. Herb Irvling-ger. Burt Herngeif. Irv Herm-linger. Bing Liveheinger. Live Link. Burt Herkern. Burn-. Agh! Bingo Lingf***er. Or whoever else's wine you need for the Seder.

Got your wine? Great. Let's get on with the Seder night!
