

The Schitt's Creek Wicked Child

Contributed by [Haggadot](#)

Source: Esther Kustanowitz

The "Wicked" Child – who is probably not all that wicked but approaches things sarcastically and with less respect and more derision than the Wise Child – asks, "What does this mean to you?" Or "What are you actually doing?" David's mastery of sarcasm and suspicion of things he doesn't understand makes him our choice for the "wicked" child.
