UNMUTE: THIRD QUESTION

יָנוּחַ DAYENU: Enough already!

It would have been enough just to be free.

THIRD GLASS OF WINE

DO: Lift your glass. Drink.

SAY:

We've had enough with suffering. What are we going to do about it? What can you do to end that which holds you back from more freedom and justice? How can we collectively take on the Pharaohs within and beyond, making this a better world for all?

Remember the list of organizations we came up with at the start of Sayder? It's now time to review the list so that whoever found the hidden Afikoman can decide and debate which of these organizations will receive a gift from all Seder participants—at whatever gift level each of us is able to afford.

DO: Review the list of organizations. Some participants may want to explain why they chose a particular cause. Declare the winner(s)! If the Afikoman finder is too young to handle this, team up. Collect the funds post-Sayder and share with guests how much was collected.
