To help us remember the story of the first Passover, we have assembled various symbolic foods on a Seder plate. There's egg and spam; shankbone and spam; greens and spam, bitter herbs and spam, charoses and spam, and spam, and spam spam egg and spam; spam spam spam matzoh and spam; spam spam spam spam spam spam baked beans spam spam spam... Spam! Lovely spam! Lovely spam!

But I can't eat spam, it's not kosher!
