The genocide in Darfur, Sudan is in its 9th year. 400,000 civilians have been slaughtered and more than 3 million displaced. In Congo, over a decade of war has claimed 5.4 million lives. A brutal campaign of mass rape has destroyed the lives of hundreds of thousands of women. These conflicts echo the Jewish experience during the Holocaust, when the world abdicated its responsibility to protect innocent lives. Once the eyes of the Unaware child in us are opened, we are awakened to our responsibility to stay informed.

Question: Now that you know, what will you do?

The Unaware child in us asks:

Really, genocide? Now, in the 21st century? Where?
