Take the middle matzah and break it into two, one piece larger than the other.

The larger piece is set aside to serve as Afikoman. This is traditionally hidden, by the leader of the Seder for the children to "steal" or "find" and then ransom for a something at the end of the Seder.

The smaller piece is put back, between the two matzot. This smaller piece, along with the top matzah is what will be used for the "Motzi-Matzah" and "Korech"
